'IMPACT FOR CHANGE' through PHOTO & FILM FOR CONSERVATION

HOEDSPRUIT 28 AUGUST TO 31 AUGUST 2024

The Sustainable Tourism Partnership Programme brings you another event. This event was born from the International Tourism Film Festival Africa 2023. Wildlife and Conservation is a category of the ITFFA and the filmmakers requested that the Category could be expanded to an event.

There are many stories that need to be told when it comes to Wildlife and Conservation. We have excellent examples, All Award winners in the ITFFA 2023.

PINNACLE & GOLD Winner – Doc - Malelane – Translocate Elephant - Mpumulanga
GOLD Winner – Series - Making CONTACT - The Series – Love Africa Marketing
SILVER Winner – Doc & TV Phinda Ndlovu - Return of the Elephants - Painted Dog TV
PINNACLE & GOLD Winner – Tourism Products– We are Wilderness – Wilderness

Through collaboration across government departments and agencies, South Africa and Africa can reap huge social and economic rewards from investing in both the tourism and the film industries through conservation.

The Conservation & Wildlife films entered into the ITFFA 2024 will be considered for viewing and discussion at the Impact for Change Conference. Please enter your films [2024 ITFFA Entry Form - International Tourism Film Festival Africa](#)
